"Children's advocacy for their future"

A 5-YEARS ORPHANAGE PLAN

No.	Planned project/program	Cost required
1.	Establishing a nursery and primary school giving free education to vulnerable children.	\$35,000
2.	Establishing a charity shopping center selling all school materials and child related needs as source of income to sustain the orphanage.	\$5,000
3.	Starting up a skills / handcraft training center for school dropouts/teenagers to give them skills for self-reliance.	\$7,000
4.	To install a light-power system to provide light at the orphanage, power for electric appliances and lighting the neighboring village.	\$2,500
5.	Purchase of more goats and chicken to boost the already existing goat and poultry projects.	\$2,000
6.	To start up a bible study hall and weekly sessions for children and the neighboring community to acquire bible literacy.	\$3,000
7.	Establishment of a nutrition garden project to fight malnutrition among children.	\$1,000
8.	Paying school fees for our children and providing school items for them.	\$5,000 for 5 years.
